# WHAT WE DO AT ARK AID STREET MISSION

Rooted in God's great love, Ark Aid Street Mission creates opportunities for individuals in London to experience love, healing, and empowerment.

01

We see people. We listen. We amplify the voices of those who need to be heard. We stand with those facing challenges and work together to support their survival and dignity.

02

We believe every person is valuable, unique, and deserving of kindness, dignity, and hope. Together, we meet essential needs, create opportunities for health and stability, and foster spaces for joy, creativity, and connection as we build toward a brighter future.

03

We are a community. We come together to welcome, support, and empower one another. By reducing barriers and fostering belonging, we create a place where everyone can feel safe, express themselves, and take steps toward personal freedom and growth. Compassion and care is where service to others starts.

# DONATE TO THE ARK

Ark Aid Street Mission is a registered Canadian charity (10672194RR0001) dedicated to supporting those in need.

Ark Aid Mission is dedicated to supporting those in need.

With the economic downturn, we are needing to help more families all the time which makes it an even more important time to support the Ark Aid Street Mission.

For more information on how to donate and The Ark's specific needs, please see below.
